Democratic Leader

November 15, 2018

Cherish the Children
Memorial Ceremony
Evergreen Cemetery
Oakland, California

Dear Friends,

Please accept my best wishes and my deepest gratitude for your efforts to honor the memory of the innocent children and all those who died during the tragic Jonestown Massacre forty years ago. May their memory be a blessing.

The people of San Francisco suffered an unimaginable horror; many lost family members and loved ones. It was a trauma to our City that will never be forgotten.

Cherishing the Children Memorial Wall provides a place of comfort and solace to the children's relatives and loved ones as well as to those who wish to honor the memory of Congressman Leo Ryan and all those who lost their lives.

My deepest gratitude to Dr. Jynona Norwood and all those dedicated to remembering the innocent children and families who tragically lost their lives in Jonestown, Guyana on November 18, 1978.

Best Regards,

A handwritten signature in blue ink that reads "Nancy Pelosi".

NANCY PELOSI
Democratic Leader
